From the Editor's Desk

Dear Readers,

I am glad to present the 5th edition of our e-Newsletter. You too will be equally excited to know that our Online MBA has been buzzing with activities, which we intend to share with you, in this edition. We have compiled interesting events and successes of our faculty and learners, through information related to the webinars, workshops, achievements, research and publications, learning experiences and university news etc.

As you go through this edition, you will also come across webinars hosted every week by our department. We are equally proud to share with you, the learning experience and testimonials of some of our learners from recently passed out batches who successfully completed their MBA program. We are delighted to share the names of scholarship holders who performed exceptionally well in their academics.

May the success stories you come across in this edition, inspire you to scale greater heights in your academics and career too!!

Hope you enjoy going through this eNewsletter.

Happy reading.....

Learning Experiences

Career talks with peers is an initiative taken by the ICFAI Online Program to facilitate alumni connect and networking. It is a collaboration platform where alumni get connected with learners and share their workplace experiences and industry specific trends and challenges. Alumni discuss the potential growth of their specific industry and introduce the learners to the career options available. The Career Talks with Peers platform is also used by alumni to share inspiring stories of their career progress, provide networking opportunities and share practical career tips. Session #1 of the Career Talks was conducted by Prof. Sunitha on 6th July, 2024 where the alumnus speaker was Mr. Manishankar Mandal, Assistant General Manager (Finance), Alembic Pharmaceuticals Limited, and a student from Class of 2021-2023 December batch.
